The undersigned would respectfully solicit the attention of dealers in and constiners of Coal in Milwanker to our Card, as above. The Bolivar Ceal is unquestionably superior to any other nined in Unio, for Graze Blackmery, or Domestic purposes; and for Steam purposes, is superior to any except Briar Hill. It is peculiarly will adapted to Shipping, as its extreme Inarchies rendered coable of bearing any amount of handing, without wate. It can be stronged considerably obeaser than Brief Hill, and for more hit poset, is better.

It is our visit to increduce the article, and we respectfully solicit orders, decident that a trial is only necessary to considerably of the truth of the show a negrous.

THE ELITHEDALE ROMANCE, by NATHANIEL HAWTHBURE ! Tickson, Reed, and Figures, Boston, publishers. Whatever comes from Hawthorn's pen is pretty sure to find abundance of readers and a ready sale. Concerning the bank before us, we find many opinions advanced by the critics of the eastern papers, some of them landing it in the Lighest terms, while others insist that it is quite inferior to Hawthorne's former works. The tale is founded on the existence of the Brook Farm Fourierite Association near Boston a few years since, and is of course peculiar in its construction, and " we may add," rather peculiar in some parts cins plot and management. Asson & Wilson have supplies of the book. We do not fail to notion the execution of the publishers' part of the work. Large numbers of private parties from Eastern and Southern cities are arriving and a large quantity of Ladies are in town to enliven the scene. How Themas Corwin left here yesterday for Montreal, on account of ill health.

Reports are current that he did not deem it proper for a Cabinet Minister to take part in the proceedings—but the fact may be relied on, that his health would not permit of the excitement of the celebration.

his health would not permit of the excitement of the celebration.

Proceedings are to commence at 12 o'clock Make the firing of a National sainte, and are precisely as stated yesterday in report.

On Wednesday, after reviewing of traops, the serie order of proceeding will be gone through, as in the afternoon programme until 5 o'clock, when the meeting will formally adjourn.

The town presents a brilliant oppearance with large crowds of military, and almost every visitor decked with hadges of different devices, and banness displayed from every botel.

Arrangements are now making for the creation of temporary buildings, and providing beds for the guestis—fiturbers even last night were abliged to sleep on floors; and to-night want of room will be seriously fait, the large boats and trains from west and east not having yet arrived.

Various delegations are now marching with separate bands to encampment ground to form a strand procession.

Horace Greely, and a host of editors are now in 1000c.

A sad event has transpired here. A young girl, permed Mary Skinner, has been missing since Fricary last. She lately lost her father, and has since that time been in a desponding condition. Fears were extertained that she had put an end to her criticone, and search was made in every direction for some clue to her fate. To-day her body was discovered in the river below the Falls, quite maked. It appears she had stripped off her clothes in the woods above the Falls, and precipitated hereaftinto the rapids. She was about 24 years of the condition of Machine and guarantee, see hemself into the rapids. She was about 24 years of the condition of Machine and guarantee, see hemself into the rapids. Niagara Falls, July 28—12 M.

Another fine day in every respect—weather warm, but pleasent, and crowd of yesterday swelling in numbers by thousands. The military deplay drew immense numbers of persons from all the arrounding country, while from the south and weatthey have been increasing in number since has evaning. Among the arrivals to-thy are flow that, is presented of an immense concourse of spectators, whose numbers it is impossible to calculate. Some idea may be formed from the heat that to-day there are at least 15,100 strangers in town. Many of them, however, spread around to visit the Falls and different localines of intenses in the vicinity. The camp was communded by Brig. Gen. Swan and Staff, of Rochester, and battailton by Col. Scroggs, 65th Regiment and Staff of Burfalo. Brig. Gen. Brown and Staff, of Symense, was also on the ground.

The following were on the field:—Cleveland Light Artillery, Capt. D. Wood! Kenneky company, Capt. S. Goin; company B, Capt. Dingman; company F, Capt. F. Fischer; company G, Capt. D. An affray took place at Coboes yesterday among a lot of boatmen in which one of the men had his head split open by an ax in the hands of a canal boat captain, killing him instantly.

New Orleans, July 27.

News of the Indian messacre has created the liveliest feelings of apprehension as to a general Indian war. A company of mounted rifles have been ordered to the frontiers of Texas from the interior, to protect the inhabitants against other attacks. A general system of organization, it is said, has been discovered among the Indians.

Cincinnati, July 26.

Steam Bother Explosion and Loss or Diffe,—This morning three boilers in the sawmill of the Miani Railroad and Dry Dock Company, at Fulton, exploded. They were form to Inginents, and the whole building was shattered. Several pieces of the boilers were thrown a distance of 300 yards. The foreman, a German, was instantly killed his body being form to pieces; but out of about 40 other hands employed, a few only sustained injury. The loss is about 4,000.
